BUILDING RELATIONSHIPS!

LEATHER & LACE

In February, we helped, one of the groups we minister to, with their Annual Valentine's Fundraiser called Leather & Lace. We always work the gate which gives us the opportunity to talk to everyone who comes in. It also gives the group piece of mind as we are the only two there who don't drink. They also know they can trust us with all the money from the gate as well.

This year saw a record crowd at the event. We were in a new location, which proved to be a little tight. So next year, we will be looking for an even bigger location.

We were able to minister to many. Some from previous year's events and also some new ones. We were also able to pray with some who we have been building relationships with from previous events. We even witnessed to the bouncers who were provided!!!

PRACTICAL TRAINING COMMITTEE

David was chosen to be a part of this new committee. They are working on the development of a training manual for new US Missionaries being called to their respective fields. It should be a valuable tool for future US Missionaries. The monthly meetings are done via video conferencing which doesn't interfere with our travels!!

- Supplies needed for 2010 outreaches can be found on our website. Please look at the list and see what you would be able to help with!! Please let us know. Thank you!

POLAR BEAR RIDE

January 1st proved to be a sunny, but cold day. We started out the day with the temperature gauge on our motorcycle reading 9 degrees. We were invited to ride with the local H.O.G. group (Harley Owners Group). We met at a Quik Trip gas station where we had plenty of fellowship time beforehand. It wasn't too

bad standing in the sun talking to some of the nearly 50 bikers that showed up for this event. Then we all bundled up and headed out on our blustery, cold ride. It was about a 25 mile ride, but seemed so much longer. Everyone was glad though that we were able to get out and ride on New Year's Day!!

OTHER HAPPENINGS!!

We will reveal our new Sturgis location in our next newsletter. It is an amazing site and should be an awesome location to reach souls for Jesus!!! Sometimes we don't understand why things happen the way they do, but God does and He has everything in control.

Be sure and check us out on our website www.DavidPantleo.com. Be sure and check out the videos

in the media link as well. They were produced using a Flip Video Camera purchased for us by a church through BGMC (Boys and Girls Missionary Challenge). We also have received new pancake griddles and other needed supplies from a Children's Church group in Florida through BGMC.

We love BGMC!!

A BIG thank you to Corporate Business Systems for printing our quarterly newsletters. Pastors, if you have copier needs, give them a call. They're a blessing!!!
