Fall 2010

REACHING PEOPLE FOR JESUS!!!

The 2010 Summer has been amazing, to say the least!! We did a wedding and 3 outreaches in Wamego, KS, Iberia, MO and Washington, MO to their local Policemen, Firemen, EMT's, and Veterans, some of which ride motorcycles. Thanking each of the attendees with free food, free gifts, and friendship was the order of the day.

It's not every day people receive thanks and a kind word for "doing their job", but that is exactly what we, along with

the church in each location, accomplished. Each attendee was thanked for serving their community.

STURGIS

We were flipping pancakes again in Sturgis, SD at the 70th Annual Sturgis Bike Rally. We served regular and blueberry pancakes to 618 people during the 9 day event. We prayed with many of them and saw actual miracles take place.

One such miracle was a guy with leukemia. He

asked us to pray for him as he had a doctor appt on the following day. He came in 2 days later with a big grin on his face. He was so excited to tell all of us that the doctor had given him a clean bill of health!! Praise the Lord!!

Another miracle was a guy who came in to eat with us one morning and then came back a little while later when he realized he had lost his clip with 6 bullets in it. We looked everywhere and couldn't find it. We prayed with him. The next morning he came in and showed us the clip. God had lead him to exactly where it was.

A man who visited last year came in again this year and was walking like he needed a V-8!!! We

prayed for his back and the next day he came in walking straight and thanked us for praying for him.

We can say one thing for sure, Sturgis is not for the faint-hearted. One day while we were in Lead, SD helping a brother with some ministry, he and I encountered an actual witch chanting a curse over us. I am so glad the God we serve is so much greater than any chanting witch!!! God is so awesome to serve!

MORE INFO...

On Sept. 2nd, we helped Police Chaplain Gordon Maracle with a BBQ for the Springfield Police Officers. We served hamburgers, brats, and many side dishes to them during the many lunch hour shifts. Wow, it sure does take a long time to have lunch shifts for that many officers.

We have services and men's retreat to speak at the next three weeks and then we gear up for

Bikes, Blues, and BBQ in Fayetteville, AR. We have teams coming from Ft. Smith, AR and also Valley Springs, AR to help. We will have free pancakes during the breakfast hour, free popcorn during the day, and 500 free chicken fajitas during lunch. It looks to be a very busy day for us and all of the workers. Supplies are still needed and are listed in the yellow box on the front page!

A BIG thank you to Corporate Business Systems for printing our quarterly newsletters. We appreciate what you do for us.

THANK YOU!!!
