Summer 2011

It's All About Souls!

Relocation

We have relocated back to the Springfield, MO area upon the advice from David's doctor. Everything appears to be going great and he will be having follow-up tests the end of July before we head to Sturgis, SD for the rally. Hopefully he will be given a clean bill of health!

Even though we loved living in Sturgis and miss the people there greatly, we have had many opportunities already in the Midwest. Also our gas expense has gone down since we are more centrally located, which is a great thing considering we have traveled nearly 25,000 ministry miles so far this year.

Winning Souls

We have been experiencing a great moving of the Holy Spirit this year.

We have personally prayed with 37 people since the writing of our last newsletter (April 1st) to accept Jesus as their Lord and Savior.

The time is short and we have to be about our Father's business winning as many to Him as we can. Yes you can have fun, enjoyment, and whatever else you want to do, but it is time to get serious about winning souls to Jesus. Too many people are dying and going to their grave without Him and it has to stop!!

We need to reach them before it's too late!!!

Recent Conversions

April 6th, I was walking by a guy who asked me to sit down and talk. He began to tell me about his satanic beliefs and an experience he had had the evening before. He was sitting in his apartment

when he felt a hand touch the back of his hand.

It moved up his arm and around his shoulder and down his spine. He was so afraid that he yelled out to God. He then looked at me and said "now what do I do"? I talked with him and then led him to Jesus!!

Another biker guy heard I was going to be in a church in his area to do a service. He came in with the smell of alcohol on him. At the end of the service, he responded to the altar call and made

Ministry Needs

- We need BBQ beef, buns, and pork and beans for our outreach at Bikes, Blues, and BBQ in Fayetteville, AR.
- Please be in prayer for us as we travel.
- We are in need of supplies for our Sturgis outreach: syrup, paper products, and margarine.

Jesus his Lord and Savior. He is in a great church and being disciplined by the pastor and the men there. His girlfriend does not like the change God has done. Please remember both of them in your prayers, as we believe God wants to work through both of them if only allowed.

Please keep us in your prayers as we minister to our mission field, the one God has called us to.

GOD SENDS...

WE GO...

HE EMPOWERS!

WHATEVER IT TAKES TO REACH SOULS FOR JESUS!!

We were privileged to take our outreach cook trailer to Joplin, MO after the recent tornado and setup and cook at Cathedral A/G.

The neighborhood was trying to recover from the damage and were in need of something to eat. We cooked and Pastor Tim

Wright ministered. We served 1,541 people breakfast and lunch over an 8 day period. We fed them physically and God touched them spiritually. One woman who ate with us came to Cathedral on the following Sunday and gave her heart to Jesus! PTL!

Don't forget, if you have a need for a new copier for your business or church, give Corporate Express a call at 417-862-1540. They are a true blessing to us and will be to you too!
