Winter 2012

Year End Review / Looking Forward!

Toys For Tots

This year's toy run for Toys For Tots was a great success. This was the 31st year for this toy run and is by far the largest in the state. The weather was a bit nippy and looked like rain (well, snow maybe!), but it held off. Prayer really works!! Overall there was a great turnout of 653 bikes and 1000's of toys were collected for needy children in this area.

We served 27 1/2 gallons of coffee, 10 gallons of hot chocolate, and nearly all of the 600 Krispy Kreme Donuts that were

donated to us for this annual event.

God even opened up new doors at the toy run for more ministry. PTL!

F.O.R.R Party

We were privileged to cook and provide smoked pork steak and BBQ beans to the local F.O.R.R. (Freedom of Road Riders) Motorcycle group for their annual Christmas Party. We pulled in to the Daily Pub and set up and began the 3 hour smoking of the pork steak and cooking of the 4 gallons of BBQ

kettle beans. We had a few of the members come to "help", but actually they watched and we ministered to them!!

With our new Outreach Cook trailer, it is so much easier to prepare and serve a group (100 or more), and we are beginning to have it down to a routine, which is good, because that gives us more time to minister! Of course the cook trailer is a conversation piece and attracts people, so we use that to our advantage to tell others about Jesus and how He blessed us with the trailer through the Women of Southern MO.

Review / Preview

We have just finished up our 8th year in motorcycle ministry. It was a pretty typical year for us

Ministry Needs

- We are scheduling services for 2012. If you would like us to come, please give us a call.
- Please be in prayer for us as we travel.
- We are in need of paper products and outreach food. Would you like to sponsor one event or maybe the year? Contact us.

as we held 58 ministry services, 72 outreaches, and 1 funeral. We were honored to be able to personally pray the prayer of salvation with 58 people this year.

The new year promises to be busy and full as well. We will be going to new areas to minister this year as well as 'old' areas too. God has opened the doors for some new locations and we are excited to meet the souls He is preparing there for us!!

We just couldn't resist sharing this picture from one of the recent Honor Flight receptions we participated in. Hope you enjoy it as much as the Veterans (her Gpa especially) and we did!!
